WEBSTER'S CONFESSION OF FAITH.

Dr. Smith of this city, (Concord, N. H.) has put into our hands the letter of Daniel Webster to Rev. Thomas Worcester, formerly pastor of the Congregational Church in Salisbury, which is accompanied with a confession of his religious faith, both of which are in his own handwriting. We have seen the church in Salisbury, enrolled among its members. He remained a member of that church till his death. The letter and confession were never before published.

"I believe in the existence of Almighty God, who created and governs the whole world. I am taught this by the works of nature and the word of revelation.

"I believe that God exists in three persons; this I learn from revelation alone. Nor is it any objection to this belief that I cannot comprehend how one can be three or three one. I hold it my duty to believe, not what I can comprehend or account for, but what my maker teaches me.

"I believe the Scriptures of the Old and New Testament to be the will and word of God.

"I believe Jesus Christ to be the Son of God. The miracles which he wrought, establish, in my mind, his personal authority, and render it proper for me to believe what he has asserted. I believe, therefore, all his declarations, as well when he declares himself to be the Son of God, as when he declares any other proposition. And I believe there is no other way of salvation, than through the merits of his atonement.

"I believe that things past, present, and to come, are all equally present in the mind of the Deity; that with him there is no succession of time, nor of ideas; that, therefore, the relative terms past, present, and future, as used among men, cannot, with strict propriety, be applied to Deity. I believe in the doctrines of foreknowledge and predestination, as thus expounded. I do not believe in those doctrines, as imposing any fatality or necessity on men's actions, or any way infringing free agency.

"I believe in the utter inability of any human being to work out his own salvation, without the constant aid of the Spirit of all grace.

"I believe in those great peculiarities of the Christian religion—a resurrection from the dead and a day of Judgment.

"I believe in the universal Providence of God, and leave to Epicurus, and his more reasonable followers, in modern times, the inconsistency of believing that God made a world which he does not take the trouble of governing.

"Although I have great respect for some other forms of worship, I believe the Congregational mode, on the whole, to be preferable to any other.

"I believe religion to be a matter not of demonstration, but of faith. God requires us to give credit to the truths which He reveals, not because we can prove them, but because He declares them. When the mind is reasonably convinced that the Bible is the Word of God, the only remaining duty is to receive its doctrines, with full confidence of their truth, and practice them with a pure heart.

"I believe that all true religion consists in the heart and the affections, and that, therefore, all creeds and confessions are fallible and uncertain evidences of evangelical piety.

"Finally, I believe that Christ has imposed on all his disciples a life of active benevolence; that he who refrains only from what he thinks to be sinful, has performed but a small part of his duty; that he is bound to do good and communicate, to love his neighbor, to give food and drink to his enemy, and to endeavor, as far as in him lies, to preserve peace, truth, piety and happiness in a wicked and fallen world.

"I believe that, in the great day which is to come, there will be no other standard of merit, no other criterion of character, than that which is already established. 'By their fruits ye shall know them.'—Congregational Jour.

THEATRICAL ANECDOTE.—A correspondent of the Spirit of the Times relates the following anecdote of Mrs. Melinda Jones:

In the days when the old Boston Athenaeum was in all its glory, Mrs. Jones, during a successful engagement, was playing Joan of Arc. Joan, I think, is a theatrical act, but on this occasion didn't remain dead, but successfully, for at her death the scene should have been changed, but wasn't. Joan lying dead on the stage, more in sorrow than in anger, desires to know what is the matter and why the scene isn't changed; no answer; again demands why in the name of all that's wonderful isn't the scene shifter here. (He had got thirsty and gone to imbibe.) "Oh, this is to much—it's more than I can bear; if I had but a good hold of that man, wouldn't he suffer!" Here the audience, beginning by this time to see that all was not well, manifested some signs of wrong and injury by groans and hisses. Joan, unable to hear this, refuses to remain dead any longer, rises, and going deliberately to the wings, draws first one wing and then the other. This was too much for the audience; the idea of Joan of Arc, dead, turning scene shifter, was more than they could bear; they shouted, and they yelled. Mrs. Jones had "hit" them hard. But didn't that delinquent scene shifter catch it? Well, rather.

FIRE INSURANCE NOTICES, &c.
ALEXANDRIA AGENCY
OF THE
NORTHERN ASSURANCE COMPANY, LONDON.

HEAD OFFICE FOR THE UNITED STATES,
No. 37 South Third Street, Philadelphia.

SECURITY TO POLICY HOLDERS.
THIS old and responsible Company insures against loss or damage by Fire, almost every description of property, and offers to Merchants and others desiring insurance, the security of an actual Capital of \$629,800, for the whole of which, and for any liabilities beyond the Shareholders are INDIVIDUALLY RESPONSIBLE, even to the extent of their entire fortunes. The Shareholders number about one thousand, and as a large portion of these are persons of great wealth, the most ample provisions exist for meeting every possible claim against the Company.

SUBJECT TO THE LAWS OF THE UNITED STATES.
In appointing an Agent for the United States, the Company has employed him "to appear to and accept any action or legal proceedings instituted against or by said Company, in the same manner as if the Company were a citizen of the United States established by the laws of the United States, or any of the several States."

PROVISION FOR PAYMENT OF LOSSES IN THE UNITED STATES.
A SPECIAL PERMANENT FUND HAS BEEN PLACED AT THE DISPOSAL OF THE AGENT AT PHILADELPHIA, WHO IS TO ADJUST AND PROMPTLY PAY ALL LOSSES, WITHOUT REFERENCE TO LONDON.

LIBERAL TO THE INSURED.
The uniform course of the Company has always been a liberal one towards Policy Holders. No just claim has ever been disputed, and prompt payment is made on a standing rule. During the past year, losses exceeding \$250,000 were paid. Losses paid as soon as the amount is ascertained.

ANNUAL INCOME.
The income of the Company is about \$1,000,000, increasing gradually each year, showing that it has the confidence of the different communities in which business is done.

RATE OF PREMIUM.
The Rate of Premium will be moderate, and in all cases will be based upon the character of the property insured, and the merits of the risk. The conditions of Insurance are framed with the greatest liberality.

SOUTHERN PROTECTION INSURANCE COMPANY,
ALEXANDRIA, VIRGINIA.
CAPITAL OVER \$500,000 DOLLARS.
AND CONSTANTLY INCREASING.

The Charter of this Company offers more favorable advantages to the farmer and others, than any Company incorporated in the United States, by insuring without a premium note. If the applicant prefer, he can pay the full amount of the premium in cash, or by effecting a cash insurance for two years, the insured saves one-eighth of the amount he would have to pay for a premium note. The insured also giving a small premium note, the insured saves nearly one-half of the amount charged by Stock Companies, when insuring from year to year. This is the advantage resulting from the combination of the two.

CASH AND MUTUAL PRINCIPLE.
This Company commenced issuing Policies against loss or damage by fire, on the 13th day of March, 1854, since which time over seven thousand seven hundred persons have insured and become members of the Company, and over seventy thousand dollars have been paid for losses. Having increased our business during the past year, we feel grateful for the liberal patronage bestowed upon the Company thus far, and for its flattering prospects of future usefulness. By practicing economy, and by prudent caution, and a rigid system of economy, they will establish for this Company a reputation for cheapness and safety not surpassed by any Company in the U. S.

AUCTION SALES.

BY T. M. MCCORMICK—AUCTIONEER.

SALE OF VALUABLE REAL ESTATE.

Pursuant to a decree of the County Court of Alexandria County, Va., of the 6th day of June, 1859, in the suit of Kinchloe & Co. vs. the undersigned, who are the heirs and assigns of the said Kinchloe & Co., as Commissioners for the purpose, will offer for sale, at public auction, in front of the Mayor's Office in the city of Alexandria, Virginia, at 12 o'clock, M., the following property:

No. 1. A LOT OF GROUND, with the improvements thereon, situated at the Northwest intersection of Fairfax and Queen streets, in said city, North of the City of Alexandria, London and Hampshire Railroad, beginning at said intersection and running thence Westwardly on Queen street 100 feet to the line of Eastlack; thence Northwardly and parallel to Fairfax street 82 feet 8 inches, more or less, to a line of lot owned by John W. Wright and John C. Smith, and running thence Eastwardly and parallel to Queen street 100 feet to Fairfax street; thence binding on Fairfax street to the beginning. The improvements are a large new brick Livery Stable, running back from Queen street nearly the entire width of the lot, and a small building on the lot, the whole put up in the most complete and substantial manner, with every desirable convenience. The Stable has been planned and built with a view to its conversion into a Warehouse, should it be wanted for that purpose.

No. 2. A TRACT OF LAND, in the County of Prince William, Va., on the Orange & Alexandria Railroad, near its intersection with Bull Run, containing about 227 Acres and 23 Poles—being the same as sold by the said John W. Wright and John C. Smith, and others, to Geo. D. Fowle, and by the latter conveyed to said Fowle, the exact metes and bounds of which can be ascertained by consulting either of said conveyances. About 70 acres of this land in cultivation, has been highly improved, and is very productive. The remainder is in wood of fine growth, which by its proximity to the Railroad can be readily converted into money. There is on the place a large and commodious farm and Stable, newly new, and built in the best manner.

Terms.—Ten per centum of the purchase money to be paid in cash, the balance in three equal installments, at six, twelve, and eighteen months from the day of sale, the interest to be paid on the day of sale, and the title to be retained till the purchase money is fully paid.

SALE OF VALUABLE REAL ESTATE IN FAIRFAX COUNTY, VIRGINIA.

By virtue of a decree of the County Court of Fairfax County, Virginia, of the 10th day of October, 1856, and recorded among the Land Records of Fairfax County, the undersigned, Trustees therein named, will offer for sale at public auction, in front of the Mayor's Office, at 12 o'clock, A. M., on Wednesday, the 10th day of November, 1859, a certain LOT OF LAND, in Fairfax County, Va., containing about THIRTY-FIVE ACRES, situated between the Little River and Leesburg Turnpike, about one and a half miles from Alexandria, and a quarter of a mile from the Potomac River. The lot adjoins the lands of Bishop John, Jas. Green, and Geo. K. Witmer, and is accessible from the Turnpike by good roads. The land is divided into four fields, and the tract is enclosed by good fencing nearly all new—this binding the tract, and is a very desirable place for a farm. About ten acres are well set in grass, and will yield from 6 to 8 tons of hay. The situation is elevated and healthy, with a fine grove of forest oaks covering about five acres, and there is a good spring of water on the lot. The buildings consist of a two-story FRAME DWELLING, containing about five rooms, and kitchen attached; also, an out-house for servants. The buildings are nearly all new, plainly and substantially built. The dwelling has a parlor, two bedrooms, a kitchen, and a large hall, and is enclosed with a new fencing. The grounds about the dwelling are planted with ornamental and fruit trees, which are in a thriving condition. Also, a barn, 20 by 32 feet, with floors of tongue and grooved plank, extending the full length of the building.
